RESOLUTION No. 2081Pl.

Calcutta, the 4th November 1940.

To enable those living in this Province actively to assist in the maintenance of public order at this time, the Government of Bengal have, under the provisions of the Civic Guard Ordinance, 1940 (Ordinance No. VIII of 1940), constituted the civic guard organisation in this Province. The civic guard is a voluntary and non-official body whose membership is open to gentlemen of every caste and creed. Detailed rules laying down the statutory duties and powers of the civic guards have been published in the *Calcutta Gazette* for general information.

Government desire to take this opportunity of emphasising that much of the value of the civic guard organisation will be lost if the members of the civic guard or the public generally think that the organisation is only to function within the necessarily narrow limits of the statutory rules. It is hoped that the civic guard will develop into an efficient body of public-spirited persons who, even when not called out on duty, will give active support to all efforts made for the successful prosecution of the war and the defence of Bengal. In particular, it is desired that they will, by their influence, take every opportunity to promote communal harmony, prevent the spread of false rumours and dissemination of subversive literature, will help in the circulation of accurate war news and will at all times by calmness, discipline and courage be examples to their fellow citizens.

It is expected that every member of the civic guard will consider himself a servant of the public at all times, and be ready to help, without hope of reward, anybody who is found to be in distress or difficulty.

Ordered that this resolution be published in the *Calcutta Gazette* for general information and that the contents of it be brought to the notice of every member of the civic guard for his guidance.

By order of the Governor,

E. N. BLANDY,

Secy. to the Govt. of Bengal.

If at the time of the happening of any loss or damage there be any other insurance effected by or on behalf of the Insured covering any of the property suffering that loss or damage, the liability of the Governor General under the policy shall be limited to its rateable proportion of such loss or damage.

4. On the happening of any loss or damage the Insured shall forthwith give notice thereof in writing to the Agent, and shall within ten days after such loss or damage, or such further time as the Agent may in writing allow, at his own expense deliver to the Agent a claim in writing containing as particular an account as may be reasonably practicable of the several articles or portions of property suffering that loss or damage and of the amount of such loss or damage, having regard to their value at the time of the loss or damage, together with details of any other insurances on the property insured. The Insured shall also give to the Agent all such proofs and information with respect to the claim as may reasonably be required, together with (if demanded) a declaration, verified by an affidavit, of the truth of the claim and of any matters connected therewith. No claim under the policy shall be payable unless the terms of this condition have been complied with.

5. If the claim be in any respect fraudulent, or if any fraudulent means or devices be used by the Insured or any one acting on his behalf to obtain any benefit under this policy, or if any loss or damage be occasioned by the wilful act or with the connivance of the Insured, all benefits under the policy shall be forfeited.

6. If in his application for the insurance effected by the policy, the Insured shall have intentionally made a material under-statement of the value of the property insured all benefits under the policy shall be forfeited.

7. If the Governor General elects to reinstate or replace any property insured, the Insured shall at his own expense produce and give to the Governor General all such plans, documents, books and information as the Governor General may reasonably require. The Governor General shall not be bound to reinstate exactly or completely but only as circumstances permit and in reasonably sufficient manner and shall not in any case be bound to expend in respect of the property insured more than the sum insured thereon.

8. On the happening of any loss or damage in respect of which a claim is or may be made under the policy, the Agent and every person authorised by the Agent may, without thereby incurring any liability, and without diminishing the right of the Governor General to rely upon any conditions of the policy, enter, take or keep possession of the building or premises where the loss or damage has happened, and may take possession of or require to be delivered to them any of the property insured, and may keep possession of and deal with such property for all reasonable purposes and in any reasonable manner. This condition shall be evidence of the leave and licence of the Insured to the Governor General so to do. If the Insured or any one acting on his behalf shall not comply with the requirements of the Governor General, or shall hinder or obstruct the Governor General or any person acting on his behalf in doing any of the abovementioned acts, then all benefits under this policy shall be forfeited. The Insured shall not in any case be entitled to abandon any property to the Governor General whether taken possession of by the Governor General or not.

GOVERNMENT OF INDIA.

WAR RISKS (GOODS) INSURANCE ORDINANCE, 1940.

Instructions.

1. The Government of India have put into operation as from the 1st October 1940 the War Risks (Goods) Insurance Scheme whereby the Government undertake to insure certain Goods on land or on inland waters in British India against War Risks.

2. GOODS INSURABLE: The Ordinance defines the Goods to which the scheme applies; these include Goods (with certain exceptions) which are held for sale by persons carrying on business as sellers of goods, such as manufacturers, wholesale distributors, and retailers, including the raw materials from which goods are manufactured and goods in process of manufacture.

3. GOODS NOT INSURABLE: A list of Goods which cannot be insured under the scheme has been published in the Gazette. It includes growing crops, plants and trees; livestock; coal and coke; mineral oils; iron, manganese and other ores; iron and steel scrap; various classes of manufactured iron and steel; cement and lime; concrete products; various classes of manufactured stone; bricks, tiles, and slates; gold, silver and other precious metals; jewellery and precious and semi-precious stones; postage stamps; and objects of art or craftsmanship not less than 100 years old. Goods of any description which are not for sale are excluded by the Ordinance.

4. PROPERTY TO WHICH SCHEME DOES NOT APPLY: The Scheme does not apply to buildings, factory machinery and plant, and other forms of immovable property.

5. COMPULSORY INSURANCE: As from the 1st November 1940 any person carrying on business as a seller of goods must insure the whole of his goods which are insurable under this scheme for their full value if the value of such goods within one and the same Presidency Town or District exceeds Rs. 20,000. THE ORDINANCE PRESCRIBES HEAVY FINES FOR CONTRAVENTION.

6. HOW TO INSURE: The Application form overleaf should be completed and forwarded with a remittance for the premium to a Government Agent.

7. GOVERNMENT AGENTS: The Government of India have appointed certain Insurance Companies transacting Fire, Marine or Accident Insurance to act as Government Agents and issue policies under the scheme. If the Goods are insured against Fire with an Insurance Company it is strongly recommended that the War Risks (Goods) Insurance should be arranged through that Company. If this is not done there may be considerable delay in obtaining cover.

8. PERIOD OF INSURANCE: The maximum period for which a policy will be issued is three months. Policies issued on or after the 1st October will expire on the 31st December; those issued on or after the 1st January will expire on the 31st March; those issued on or after the 1st April will expire on the 30th June; and those issued on or after the 1st July will expire on the 30th September. No policy will be issued to expire on any intermediate date.

9. RATE OF PREMIUM: The present rate of premium is 1/32 per cent. (one half anna per hundred rupees) per month or part of a month.

10. CALCULATION OF PREMIUM: On insurances effected during the months of October, January, April, and July three months' premium will be payable, *i.e.*, 3/32 per cent. Provided that a subscriber may at his option elect not to subscribe during a period of suspension or leave.

(2) The subscriber shall intimate his election not to subscribe during a period of suspension or leave in the following manner:—

(*a*) If he is an officer who draws his own pay bills, by making no deduction on account of subscription in his first pay bill drawn after the date on which he is suspended or after proceeding on leave;

(*b*) If he is not an officer who draws his own pay bills, by written communication to the head of his office before he proceeds on leave or within a fortnight of the date on which he is suspended. Failure to make due and timely intimation shall be deemed to constitute an election to subscribe.

The option of a subscriber intimated under this sub-rule shall be final.

9. (1) The amount of subscription shall be fixed by the subscriber himself in whole rupees:

Provided that, if the pay of the subscriber does not exceed fifty rupees a month, the amount may be any multiple of a half-rupee.

Provided that if a subscriber is on duty for part of a month and on leave or suspension for the remainder of that month and if he has elected not to subscribe during leave or suspension, the amount of the subscription payable shall be proportionate to the number of days spent on duty in the month.

10. When a subscriber is transferred to foreign service or sent on deputation out of India, he shall remain subject to the rules of the Fund in the same manner as if he were not so transferred or sent on deputation.

Realisation of subscriptions.

12. (1) Government shall pay to the credit of the account of a subscriber interest at the rate of three per cent. per annum.

(2) Interest shall be credited with effect from last day in each year in the following manner:—

(*i*) on the amount at the credit of a subscriber on the last day of the preceding year—interest for 12 months;

(*ii*) on all sums credited to the subscriber's account after the last day of the preceding year—interest from the date of deposit up to the end of the current year;

(*iii*) the total amount of interest shall be rounded to the nearest anna:

Provided that when the amount standing at the credit of a subscriber has become payable, interest shall thereupon be credited under this sub-rule in respect only of the period from the beginning of the current year or from the date of deposit, as the case may be, up to the date on which the amount standing at the credit of the subscriber became payable.

(3) In this rule, the date of deposit shall, in the case of a recovery from pay bills, be deemed to be the first day of the month in which it is recovered: and in the case of an amount forwarded by the subscriber, shall be deemed to be the first day of the month of receipt, if it is received by the Account Officer before the fifth day of that month, but if it is received on or after the fifth day of that month, the first day of the next succeeding month.

(4) In addition to any amount to be paid under rule 13 or 14, interest thereon up to the end of the month preceding that in which the payment is made, or up to the end of the sixth month after the month in which such amount became payable, whichever of these periods be less, shall be payable to the person to whom such amount is to be paid:

Provided that where the Account Officer has intimated to that person (or his agent) a date on which he is prepared to make payment in cash, or has posted a cheque in payment to that person, interest shall be payable only up to the end of the month preceding the date so intimated, or the date of posting the cheque as the case may be.

(5) Interest shall not be credited to the account of a subscriber if he informs the Account Officer that he does not wish to receive it, but if he subsequently asks for interest, it shall be credited with effect from the first day of the year in which he asks for it.

Final withdrawals of accumulations in the Fund.

13. The amount standing to the credit of a subscriber shall become payable to him

(*a*) on his quitting service, or

(*b*) on the expiry of twelve months from the date on which the present war is declared to have terminated, whichever is earlier:

Provided that the said amount shall not become payable under clause (*b*) unless the subscriber has, at any time during the six months immediately following the said date on which the war is declared to have terminated, intimated in writing,

(*i*) if he is an officer who draws his own pay bills, to the Account Officer,

(*ii*) if he is not an officer who draws his own pay bills, to the head of the office in which he is serving,

his intention to claim payment of the amount under that clause. The option of the subscriber intimated under this rule shall be final.

14. On the death of a subscriber before the amount standing to his credit has become payable, or where the amount has become payable, before payment has been made;

(*i*) when the subscriber leaves a family—

(*a*) if a nomination made by the subscriber in accordance with the provisions of rule 6 in favour of a member or members of his family subsists, the amount standing to his credit in the Fund or the part thereof to which the nomination relates shall become payable to his nominee or nominees in the proportion specified in the nomination;

(*b*) if no such nomination in favour of a member or members of the family of the subscriber subsists, or if such nomination relates only to a part of the amount standing to his credit in the Fund, the whole amount or the part thereof to which the nomination does not relate, as the case may be, shall, notwithstanding any nomination purporting to be in favour of any person or persons other than a member or members of his family, become payable to the members of his family in equal shares:

Provided that no share shall be payable to—

(1) sons who have attained legal majority;

(2) sons of a deceased son who have attained legal majority;

(3) married daughters whose husbands are alive;

(4) married daughters of a deceased son whose husbands are alive;

if there is any member of the family other than those specified in clauses (1), (2), (3) and (4):

Provided further that the widow or widows and the child or children of a deceased son shall receive between them in equal parts only the shares which that son would have received if he had survived the subscriber and had been exempted from the provisions of clause (1) of the first proviso;

(*ii*) when the subscriber leaves no family, if a nomination made by him in accordance with the provisions of rule 6 in favour of any person or persons subsists, the amount standing to his credit in the Fund or the part thereof to which the nomination relates, shall become payable to his nominee or nominees in the proportion specified in the nomination.

15. (1) When the amount standing to the credit of a subscriber in the Fund becomes payable, it shall be the duty of the Account Officer to make payment, as provided in section 4 of the Provident Funds Act, 1925.

(2) If the person to whom, under these rules, any amount is to be paid, is a lunatic for whose estate a manager has been appointed in this behalf under the Indian Lunacy Act, 1912, the payment will be made to such manager and not to the lunatic.

(3)) Any person who desires to claim payment under this rule shall send a written application in that behalf to the Account Officer. Payment of amounts withdrawn shall be made in India only. The persons to whom the amounts are payable shall make their own arrangements to receive payment in India.

Procedural rules.

16. All sums paid into the Fund under these Rules shall be credited in the books of the Central Government to an account named "The Defence Savings Provident Fund". Sums of which payment has not been taken within six months after they become payable under these rules shall be transferred to "Deposits" at the end of the year and treated under the ordinary rules relating to deposits.

17. When paying a subscription in India, either by deduction from pay bill or in cash, a subscriber shall quote the number of his account in the Fund which shall be communicated to him by the Account Officer. Any change in the number shall similarly be communicated to the subscriber by the Account Officer.

18. (1) As soon as possible after the close of each year the Account Officer shall send to each subscriber a statement of his account in the Fund showing the opening balance as on the 1st April of the year, the total amount credited during the year, the total amount of interest credited as on the 31st March of the year and the closing balance on that date.

The Account Officer shall attach to the statement of account an enquiry whether the subscriber

(*a*) desires to make any alteration in any nomination made under rule 6;

(*b*) has acquired a family in cases where the subscriber has made no nomination in favour of a member of his family under sub-rule (2) of rule 6.

(2) Subscribers should satisfy themselves as to the correctness of the annual statement, and errors should be brought to the notice of the Account Officer within six months from the date of receipt of the statement.

19. (1) These Rules may be altered or amended by the Governor-General in Council at any time, with or without restrospective effect, by a notification published in the Gazette of India and the official Gazettes of all Governors' Provinces.

(*1*) With effect from such date as the Provincial Government may, by notification in the *Official Gazette* appoint, being not earlier than thirty days after the date of the said notification, every dealer whose gross turnover during the year immediately preceding the commencement of this Act exceeded the taxable quantum shall be liable to pay tax under this Act :

Provided that no tax shall be payable in respect of contracts which the Commissioner after such inquiry (if any) as he thinks fit, is satisfied were duly entered into before the date so notified.

(Clauses 6—8.)

(*a*) the sale of goods declared tax-free under section 6;

(*2*) Every dealer required by sub-section (*1*) to be registered shall make application in such behalf in the prescribed manner to the prescribed authority.

(*3*) If the said authority is satisfied that an application for registration is in order, he shall in accordance with such rules as may be prescribed, register the applicant and grant him a certificate of registration in the prescribed form which shall specify the class or classes of goods for the purposes of clause (*b*) of sub-section (*3*) of section 5.

(*4*) The Commissioner may from time to time correct any certificate of registration in accordance with information furnished under section 14.

(*5*) When any dealer has been convicted, or has paid composition money, in respect of any contravention of sub-section (*1*), the Commissioner may register such dealer and grant him a certificate of registration, and such registration shall take effect as if it had been made under sub-section (*3*) on the dealer's application.

(*6*) A certificate of registration shall be valid for such period as may be prescribed:

Provided that where the Commissioner is satisfied that any business in respect of which a certificate has been granted, has been discontinued, he shall cancel the registration.

(*7*) Every registered dealer shall, within the prescribed time and in the prescribed manner, apply to the prescribed authority for the renewal of his registration:

Provided that this sub-section shall not apply to a dealer during such period as, under the provisions of sub-section (*3*) of section 4, he may not be liable to pay tax under this Act.

Payment of tax and returns.

8. (*1*) Tax payable under this Act shall be paid in the manner hereinafter provided at such intervals as may be prescribed.

The Bengal Finance (Sales Tax) Bill, 1941.

(Clauses 9—12.)

(*2*) Every registered dealer and such other dealers as may be required so to do by the Provincial Government by notice served in the prescribed manner, shall furnish such returns by such dates and to such authority as may be prescribed.

(*3*) Before any registered dealer furnishes the returns required by sub-section (*2*), he shall, in the prescribed manner, pay into a Government Treasury or the Reserve Bank of India the full amount of tax due from him under this Act according to such returns, and shall furnish along with the returns a receipt from such Treasury or Bank showing the payment of such amount.

(*4*) If any dealer discovers any omission or other error in any return furnished by him, he may at any time furnish a revised return; and if the revised return shows a greater amount of tax to be due than was shown in the original return, it shall be accompanied by a receipt showing payment in the manner provided in sub-section (*3*) of the extra amount.

Assessment of tax.

9. (*1*) If no returns are furnished by a registered dealer in respect of any period by the prescribed date, or if the returns are furnished without a receipt showing full payment of the tax due, or if the Commissioner is not satisfied that the returns furnished are correct and complete, the Commissioner shall, at any time within three years from the commencement of this Act and thereafter at any time within twelve months after the expiry of such period, after giving the dealer an opportunity of being heard, proceed in such manner as may be prescribed to assess to the best of his judgment the amount of tax due from the dealer; and the amount so assessed, less the sum, if any, already paid by the dealer in respect of the said period, shall be paid by him into a Government Treasury or the Reserve Bank of India by such date as may be specified in a notice of assessment issued by the Commissioner for this purpose.

(*2*) Any amount of tax which remains unpaid after the date specified in the said notice of assessment shall be recoverable as an arrear of a public demand.

(*3*) Any assessment made under this section shall be without prejudice to any prosecution instituted for an offence against this Act.

Refunds.

10. Subject to such conditions as may be prescribed, the Commissioner shall, on application in the prescribed manner, refund to a registered dealer any amount of tax paid by him under this Act—

(*a*) in excess of the amount of tax due from him; or

(*b*) in respect of any sums written off as bad debts in the annual statement of accounts of his business, provided that such accounts have been certified by an auditor possessing the prescribed qualifications and that the Commissioner is satisfied that sufficient attempt to recover the debts has been made.

Accounts.

11. Every dealer to whom the provisions of sub-section (*2*) of section 8 apply, shall keep a true account of the value of goods bought and sold by him, and if the Commissioner considers that such account is not sufficiently clear and intelligible to enable him to make a proper check of the returns referred to in that sub-section, he may require such dealer by notice in writing to keep such accounts (including records of sales) as may be prescribed.

Production and inspection of accounts and documents, and search of premises.

12. (*1*) The Commissioner may require any dealer to produce before him any accounts or documents, or to furnish any information, relating to the business of the dealer.

(*2*) All accounts, registers, documents and goods kept in any place of business of any dealer shall at all reasonable times be open to inspection by the Commissioner.

The Bengal Finance (Sales Tax) Bill, 1941.

(Clauses 13—18.)

(*3*) If the Commissioner has reason to suspect that any dealer is attempting to evade payment of any tax under this Act, he may seize any accounts, registers or documents of the dealer, and shall grant a receipt for the same.

(*4*) For the purposes of sub-section (*2*) or sub-section (*3*) the Commissioner may enter and search any place of business of any dealer.

Delegation of Commissioner's powers.

13. Subject to such restrictions and conditions as may be prescribed, the Commissioner may by order in writing delegate any of his powers under this Act [except those under section 16 and sub-section (*2*) of section 19] to any officer subordinate to him.

Information to be furnished regarding changes of business.

14. If any dealer to whom the provisions of sub-section (*2*) of section 8 apply,—

(*a*) sells or otherwise disposes of his business or any part of his business or any place of business, or

(*b*) discontinues his business or changes his place of business or opens a new place of business, or

(*c*) changes the name or nature of his business—

he shall within the prescribed time inform the prescribed authority accordingly; and if any such dealer dies, his legal representative shall in like manner inform the said authority.

Tax payable by transferee of business.

15. When the ownership of the business of a registered dealer is transferred, any tax payable in respect of such business remaining unpaid at the time of the transfer shall be payable by the transferee as if he was the registered dealer; and the transferee shall within fourteen days of the transfer apply for registration under section 7.

Power to Commissioner to determine disputes.

16. If any question arises (otherwise than in a prosecution before a court) whether or not for the purposes of this Act—

(*a*) any person or firm or any branch or department of any firm is a dealer, or

(*b*) any dealer is a contractor, or

(*c*) any particular goods purchased by a registered dealer are specified in his certificate of registration,

the Commissioner shall determine such question.

Bar to proceedings in Civil Courts.

17. No assessment made under this Act and no order passed by the Commissioner or any officer subordinate to him under this Act or the rules made thereunder shall be called into question in any Civil Court, and no appeal or application for revision or review shall be made against any such assessment or order save as may be provided in this Act.

Appeal, revision and review.

18. (*1*) Within thirty days of the receipt of a notice of assessment issued under section 9, any dealer may in the prescribed manner appeal to the prescribed authority against such assessment:

Provided that no appeal shall be entertained by the said authority unless he is satisfied that such amount of tax as the appellant may admit to be due from him has been paid.

(*2*) Subject to such rules of procedure as may be prescribed, the appellate authority, in disposing of any appeal under sub-section (*1*), may—

(*a*) confirm, reduce, enhance or annul the assessment, or;

(*b*) set aside the assessment and direct the assessing authority to make a fresh assessment after such further inquiry as may be directed.

STATEMENT OF OBJECTS AND REASONS.

The taxation contemplated in this Bill represents the taxation foreshadowed in the closing paragraph of my Budget Speech. The present resources of the Government of Bengal are not sufficient to enable them to maintain the natural development of the programme of nation-building activities already in progress, and, for the purpose of financing the further beneficent schemes for the economic improvement of the province for which there have been insistent demands in this House and which the Ministry feel cannot be postponed, additional revenues are essential.

STATEMENT OF OBJECTS AND REASONS.

1. The object of the Bill is to levy a tax of one anna and six pies per gallon on the retail sales of petrol and a tax of pies six per gallon on the retail sales of motor spirit other than petrol.

2. Between 1931-32 and 1937-38 Bengal was not able to spend in full the amounts allocated annually to this Province out of the Central Road Fund. The result was that there was a considerable accumulation to our credit in the Road Fund. Since 1938-39 the annual expenditure on new road construction debitable to the Road Fund has exceeded the annual allotment very considerably. The amount of work likely to be debited annually to the Road Fund Account so long as the balance lasts is not less than Rs. 30 lakhs while Bengal's receipts from the Road Fund will probably not exceed Rs. 18 lakhs a year. Expenditure on this scale will exhaust the accumulation of the past by 1942 and unless steps are taken to make some Rs. 12 lakhs available annually from provincial revenues, the Department of Communications and Works will have to restrict their programme of new construction drastically.

It is the intention of Government to use the proceeds of the tax contemplated in the Bill to supplement the annual receipts from the Road Fund in order that the present scale of expenditure on new construction may be maintained.

Legislative Department.

NOTIFICATION.

No. 1118L.—5th November 1940.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL LOCAL AUTHORITIES CENSUS EXPENSES CONTRIBUTION BILL, 1940.

A
BILL

to provide for the contribution by certain local authorities to census expenses.

WHEREAS it is expedient to make provision for the contribution by certain local authorities of a portion of the expenses incurred or to be incurred in connection with the census of British India to be taken during the year 1941.

It is hereby enacted as follows :—

Short title and extent.

1. (1) This Act may be called the Bengal Local Authorities Census Expenses Contribution Act, 1940.

(2) It extends to the whole of Bengal.

Definitions.

2. In this Act—

(a) "census" means the census of British India to be taken during the year 1941 ;

(b) "prescribed" means prescribed by rules made under this Act.

Contributions by municipalities having a population of 5,000 persons or over.

3. Notwithstanding anything contained in any enactment or rule in regard to municipal funds, the Provincial Government may direct that such portion as may be prescribed of the expenses (incurred whether before or after the commencement of this Act) connected with the taking of the census in any municipal area having a population of 5,000 persons or over shall be charged to the municipal fund constituted for, and on behalf of, that area ; and the sums to be so charged shall be computed and paid in the prescribed manner :

Provided that the portion of such expenses which may be charged to the municipal fund of the Corporation of Calcutta shall not exceed one-half.

Contributions by Union Boards and by municipalities having a population of less than 5,000 persons.

4. Notwithstanding anything contained in any enactment or rule in regard to municipal or union funds, the Municipal Commissioners of any municipality having a population of less than 5,000 persons, or any Union Board may spend any sum not exceeding ten rupees out of the municipal fund or the union fund, as the case may be, to meet the expenses incurred in connection with the taking of the census in the area for and on behalf of which the fund is constituted.

Contributions by District Boards.

5. Notwithstanding anything contained in the foregoing sections or in any enactment or rule in regard to local or union funds, any District Board may, if it thinks fit, direct that any portion of the grant which it makes to any Union Board within its area shall be spent in meeting any expenses incurred in connection with the taking of the census within the union.

Power to make rules.

6. (1) The Provincial Government may make rules to carry out the purposes of this Act.

(2) In particular, and without prejudice to the generality of the foregoing power, such rules may provide for all or any of the following matters, namely :—

(a) the portion of the expenses connected with the taking of the census which may be charged under this Act to municipal funds ;

(b) the manner in which sums charged under this Act shall be computed and paid ;

(c) any other matter for which there is no provision or insufficient provision in this Act and for which provision is, in the opinion of the Provincial Government, necessary for giving effect to the purposes of this Act.

STATEMENT OF OBJECTS AND REASONS.

At the request of the Government of India, the Government of Bengal agreed to co-operate with that Government in census work subject to the observance of the same principles as in the 1931-census.

In the 1931-census, the Government of Bengal, by notifications under section 14 of the Indian Census Act, 1929 (corresponding to section 15 of the Indian Census Act, 1939), directed the Calcutta Corporation and other municipalities to bear certain expenses incurred in connection with that census. The assurance given in regard to the ensuing census means that this assistance should be continued.

2. In view of the altered constitutional position, section 15 of the Indian Census Act, 1939, does not authorise the Provincial Government to issue notifications, as they had done in the past under similar provisions of the previous census Acts, directing municipalities, etc., in the Province, except municipalities in Central areas and cantonments, to pay contributions, and, consequently, special provincial legislation is necessary for the purpose.

3. The Bill has been prepared accordingly to provide for contributions by certain local authorities of a portion of the expenses incurred or to be incurred in connection with the forthcoming census.

4. Another object of the Bill is to provide for powers to enable Union Boards and municipalities having a population of less than 5,000 persons to spend, out of the union or municipal funds, as the case may be, any sum not exceeding ten rupees to meet petty expenses that may be incurred in connection with the taking of the census; and at the same time to permit any District Board to earmark any portion of the grant which it makes to any Union Board within its area in case the Union Board's own funds are found insufficient for the purpose. The expenditure will be voluntary and will be mostly concerned with the relief of enumerators who are an unpaid agency from various out-of-pocket expenses, such as ink and paper and perhaps in some cases boat-hire. No contribution will be exacted from these bodies for the relief of the census budget of the Central Government.

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 1119L.—5th November 1940.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE BENGAL LEGISLATURE REMOVAL) OF DISQUALIFICATIONS AMENDMENT) BILL, 1940.

A

BILL

temporarily to amend the Bengal Legislature (Removal of Disqualifications) Act, 1937.

WHEREAS it is expedient temporarily to amend the Bengal Legislature (Removal of Disqualifications) Act, 1937 for the purpose and in the manner hereinafter appearing ; *Ben. Act III of 1937.*

It is hereby enacted as follows :—

Short title and duration.

1. (*1*) This Act may be called the Bengal Legislature (Removal of Disqualifications Amendment) Act, 1940.

(*2*) It shall be in force during the continuance of the present war and for a period of twelve months thereafter.

Temporary amendment of Bengal Act III of 1937.

2. While this Act is in force, section 2 of the Bengal Legislature (Removal of Disqualifications) Act, 1937 shall have effect as if after clause (*c*) of the said section the following clause had been added, namely :—

"(*d*) an office in any of His Majesty's naval, military or air forces in India, or an office under the Central Government, connected with the equipment or administration of any of those forces or otherwise connected with the defence of India, provided that this clause shall not apply in the case of any person who has, since the 2nd day of September, 1939, been continuously in whole-time service of the Crown in India."

STATEMENT OF OBJECTS AND REASONS.

By virtue of the provision of clause (*b*) of section 2 of the Bengal Legislature (Removal of Disqualifications) Act, 1937 a person is not debarred from becoming or being a member of either Chamber of the Bengal Legislature by reason only of the fact that as a part-time member of any of His Majesty's Naval, Military or Air Forces, he holds an office of profit under the Crown, in India. When however such a member of the legislature holds such an office as a full-time member of any of such forces, he is disqualified for being a member and his seat in the legislature falls vacant automatically. The object of this amending Bill is to enable a person to render full-time service in any of the forces referred to without incurring any disqualification under section 69 (*1*) (*a*) of the Government of India Act, 1935, for being chosen as or for being a member of either Chamber of the Bengal Legislature until the termination of the present state of war. It excludes from its operation persons who have been continuously in whole-time service of the Crown in India since the 2nd September 1939, *i.e.*, the date before the outbreak of the present war.

GOVERNMENT OF BENGAL.

Legislative Department.

NOTIFICATION.

No. 1124L.—6th November, 1940.—The Governor having been pleased to order, under rule 47 of the Bengal Legislative Assembly Procedure Rules, the publication of the following Bill, together with the Statement of Objects and Reasons which accompanies it, in the *Calcutta Gazette*, the Bill and the Statement of Objects and Reasons are accordingly hereby published for general information.

THE OFFICIAL TRUSTEES (BENGAL AMENDMENT) BILL, 1941.

A BILL

further to amend the Official Trustees Act, 1913, in its application to Bengal.

WHEREAS it is expedient further to amend the Official Trustees Act, 1913, in its application to Bengal, in the manner hereinafter appearing; [II of 1913.]

It is hereby enacted as follows:—

Short title.

1. This Act may be called the Official Trustees (Bengal Amendment) Act, 1941.

Application of Act.

2. The Official Trustees Act, 1913 shall, in its application to Bengal, be amended in the manner hereinafter provided.

Insertion of new section 14A.

3. After section 14 of the Official Trustees Act, 1913 (hereinafter referred to as the said Act) the following section shall be inserted, namely:—

"14A. *Power to examine on oath.* The Official Trustee for Bengal may, whenever he desires, for the purposes of this Act, to satisfy himself regarding any question of fact, examine upon oath (which he is hereby authorised to administer) any person who is willing to be examined by him regarding such question". [*Cf.* Act III of 1913, s. 30.]

Insertion of new section 30A.

4. After section 30 of the said Act, the following section shall be inserted, namely:—

"30A. *False evidence.* Whoever, during any examination authorised by this Act, makes upon oath a statement which is false and which he either knows or believes to be false or does not believe to be true, shall be deemed to have intentionally given false evidence in a stage of a judicial proceeding". [*Cf.* Act III of 1913, s. 51.]

STATEMENT OF OBJECTS AND REASONS.

The power to examine witnesses on oath contained in section 30 of the Administrator General's Act has been found extremely useful by the Administrator General in connection with sworn statements substantiating the claims of creditors against Estates and with regard to particulars of persons entitled as next of kin, also in certificate cases under sections 31 and 32 of that Act.

The Official Trustee when appointed the sole Executor and sole Trustee under a deceased person's Will, is very often in the same position as the Administrator General is when administering Estates. It is accordingly proposed to give the Official Trustee for Bengal similar powers to examine witnesses on oath.

I. *Settlement of produce rents.*

1. For each village the Settlement Officer shall determine—

(*i*) the average outturn of crops in maunds per acre by crop-cutting experiments, and

(*ii*) a maximum rate of produce rent in maunds per acre on the basis of the average outturn determined under clause (*i*) of this rule according to a scale approved by the Director of Land Records and Surveys, Bengal:

Provided that, in determining the maximum rate of produce rent, six maunds of the average yield per acre shall be excluded from the average outturn as representing the cost of cultivation, and of the remainder two-thirds shall go to the tenant as his share and one-third to the landlord as the quantity of produce rent payable to him.

2. When the Settlement Officer has determined the average outturn and the maximum rate for a village under rule 1 above, he shall cause the figures relating thereto to be published in the manner laid down in rule 54 of the rules framed by the Provincial Government under sections 39(7) and 189 of the Bengal Tenancy Act, 1885, and published under notification No. 5462L.R., dated the 26th March 1929.

3. Any person objecting to the outturn and the rate of produce rent determined under rule 1 may, within the period of publication under rule 2, present a petition to the Settlement Officer or a Revenue-officer authorised by him and the Settlement Officer or a Revenue-officer authorised by him shall consider any such objection and may alter or amend the outturn or rate of produce rent or both previously determined under rule 1.

4. The Settlement Officer shall prepare a rent roll for produce rents in each village. If any existing rent is such that the rate per acre is higher than the village maximum rate determined under rule 1, it shall be reduced per acre to the maximum rate; if the rent is such that the rate per acre is equal to, or less than, the village maximum rate determined under rule 1, the existing rent shall be entered in the rent roll.

5. The draft rent roll shall be published in the manner laid down in rule 54 of the rules framed by the Provincial Government under sections 39(7) and 189 of the Bengal Tenancy Act, 1885, and published under notification No. 5462L.R., dated the 26th March 1929.

6. (*i*) Any objection to any entry in the draft rent roll or any omission therefrom may be made within the period of publication and shall be disposed of in the manner laid down in section 104E of the Bengal Tenancy Act, 1885.

(*ii*) A Revenue-officer may, of his own motion, or on the application of any party aggrieved, if he is satisfied that the application of the average outturn will result in the settlement of a rent which is not fair or equitable, take for a particular tenancy an average outturn less than the average outturn for the village determined under rule 1 and calculate for this particular tenancy the maximum rate in the manner laid down in that rule. Such an order shall be in writing, shall state the grounds for not adopting the average outturn for the village determined under rule 1, and shall also state the average outturn which is adopted.

(*iii*) An appeal, if presented within two months from the date of the order appealed against, shall lie from every order passed by a Revenue-officer prior to the final publication of the record-of-rights under clauses (*i*) and (*ii*) of this rule.

7. The method of assessment laid down in these rules shall apply to all settlements of produce rents made during fifteen years from the date of the commencement of this Regulation.

II. *Determination of Salami.*

1. When the Settlement Officer has determined for each village—

(*a*) the average gross outturn of crop in maunds per acre, and

(*b*) a maximum rate of produce rent,

he shall proceed to determine for the village a rate of *salami* per acre calculated at one-half of the average annual gross outturn or its equivalent in money calculated at the average prices during the immediately preceding decennial period:

Provided that if in the opinion of the Settlement Officer it is not practicable to take the immediately preceding decennial period or its taking would lead to an unfair result, he may in his discretion substitute any shorter period or any other decennial period therefor.

2. The rate of *salami* determined under rule 1 shall be published and objections or appeals against the rate of *salami* so determined shall be filed in the same manner and at the same time as prescribed for settlement of rents.

3. (*1*) The Revenue-officer shall record for each produce-paying tenancy the amount of *salami* to be paid to the landlord. The *salami* shall be payable in nine equal annual instalments. In case, however, a tenant elects to pay two or more instalments of the *salami* in one lump sum, a deduction may be made by him as rebate of an amount equivalent to the interest on such advance payment of instalments at the rate of three and a half *per centum* per annum for the period in respect of which such advance payment is made:

Provided that no *salami* shall be payable—

(*a*) where the land has been reclaimed by the present occupier or his predecessor in interest, the burden of proof being on the landlord to show that the land was not so reclaimed;

(*b*) where the present occupier or his predecessor in interest was recorded as a tenant for the land at the previous District Settlement;

(*bb*) where the land is in continuous possession of the same tenant or of his predecessor in interest for a period of twelve years or more;

(*c*) where a cash-paying tenancy has been converted into a produce-paying tenancy since the District Settlement; and

(*d*) where *salami* has already been paid.

(*2*) Where the Revenue-officer decides that no *salami* is payable, he shall record an order in writing to that effect, with a summary of the evidence on which he bases his decision.

(*3*) An appeal shall lie against any order made under the proviso to clause (*1*) of this rule that no *salami* is payable, and the provisions of rule 2 shall apply to every such appeal.

In the Matter of Girindra Kumar Chatterjee, advocate and an elector of the said constituency residing at Burdwan Town in the Sadar subdivision of Burdwan ... Petitioner,

versus

Rai Sahib Jogendra Nath Roy of Dr. Nicholas Road in the town of Asansol, Legal Practitioner ... Respondent.

To His Excellency the Hon'ble Sir John Arthur Herbert, G.C.I.E., Governor of Bengal.

The humble petition of the above-named Girindra Kumar Chatterjee of Burdwan most respectfully

Sheweth:—

1. That your petitioner is an elector of the said Burdwan Division North-East (Rural) General Constituency of the Bengal Legislative Council, his Serial No. being No. 54 of district Burdwan, subdivision Burdwan Sadar of the Electoral Roll of the said constituency.

2. That in the *Calcutta Gazette Extraordinary* of the 15th day of January 1940 two notifications of the Government of Bengal in the Home Department (No. 69 A.R.—15th January 1940 and No. 70 A.R. —15th January 1940) were published requiring *inter alia* the election of a member to the Bengal Legislative Council for the (Rural) General Constituency, Burdwan Division North-East for filling the vacancy caused by the retirement of the member elected from the said constituency and fixing the 4th day of April 1940 as the date before which the said constituency was to elect such member.

3. That in the said issue of the aforesaid *Calcutta Gazette Extraordinary* of the 15th January 1940 by another notification (No. 71 A.R. —15th January 1940) of the said department of the Government of Bengal it was notified that His Excellency the Governor of Bengal was pleased to publish the following dates fixed by His Excellency under sub-paragraph (*1*) of paragraph 17 of Part I of the Government of India (Provincial Legislative Council) Order, 1936, read with clauses (*a*), (*b*) and (*c*) of sub-rule (*2*) of the said Rules for the doing of acts in connection with elections to be held in pursuance of the said notification No. 70 A.R., dated the 15th day of January 1940, for the said constituency amongst other territorial constituencies mentioned in the said notification:—

Date on or before which nominations of candidates were to be made—the 24th January 1940.

Date on which the scrutiny of nominations was to be held the 26th January 1940.

Date on or before which candidatures may be withdrawn—the 27th January 1940.

4. That pursuant to the said notifications the following candidates among others filed their nomination papers for election as a member of the Bengal Legislative Council for the said Burdwan Division North-East (Rural) General Constituency within the date fixed therefor:

(*i*) Babu Jitendra Lal Banerji (since deceased).
(*ii*) Babu Jogendra Nath Roy.

5. That the scrutiny of the nomination papers of the candidates for election as a member of the Bengal Legislative Council from the said constituency was held on the 26th day of January 1940 and in the final list of candidates published in the *Calcutta Gazette Extraordinary* of the 3rd February 1940 a notification No. 177 A.R. of that date was issued publishing for general information the declaration by the Returning Officer of the 27th day of January 1940 of the final list of candidates for the Burdwan Division North-East (Rural) General Constituency of the Bengal Legislative Council in which the names of the said candidates, namely, (*i*) Babu Jitendra Lal Banerji (since deceased) and (*ii*) Babu Jogendra Lal Roy were mentioned and the 16th day of March 1940 was fixed as the day for taking the poll.

6. That the said Babu Jitendra Lal Banerji, one of the candidates aforesaid for election to the Bengal Legislative Council from the said constituency, died on the 16th day of March 1940 at about 7-30 a.m. near Panagar in the district of Burdwan before the polling commenced for such election as aforesaid as a result of an accident while proceeding from Asansol to Burdwan in a motor car on the Grand Trunk Road between Asansol and Burdwan.

7. That the news of the death of the said Jitendra Lal Banerji spread instantaneously throughout the said constituency, in consequence whereof an overwhelming majority of electors of the said constituency did not go to the polling stations at the different polling centres in the said constituency. The fact of such death of the said Jitendra Lal Banerji became known to the said Returning Officer and to the Polling Officers and Polling Agents of the candidates at Asansol, Burdwan and Hooghly (Chinsurah) polling centres within about half an hour from the said death and at the other polling centres within about one hour and in any event, long before the polling commenced at 10 a.m. on the

16th day of March 1940. The said Returning Officer and the said Polling Officers came to know and became aware of and were otherwise satisfied about the fact of such death before actual polling had commenced as aforesaid.

8. That as a result of the news of death of the said Jitendra Lal Banerji many electors who would otherwise have voted for the said Jitendra Lal Banerji in the said election did not exercise their franchise and/or could not exercise their franchise in favour of the person of their choice.

9. That in spite of the fact of the death of the said Jitendra Lal Banerji before the commencement of the poll and in spite of the knowledge of the fact of such death of the said Polling Officers and the said Returning Officer as aforesaid the poll was not countermanded and proceedings with reference to the said election were not commenced anew in all respects as if for a new election as required by the rules, laws and order.

10. That in the premises aforesaid the said purported election has become invalid and null and void and infructuous and should be set aside and a new election should be ordered.

11. That the said Jogendra Nath Roy was declared to be duly elected to fill the seat in the Burdwan Division North-East (Rural) General Constituency.

12. That in the *Calcutta Gazette* of the 9th day of May 1940 the Returning Officer of the said constituency published a notice, dated the 30th day of April 1940, that the said candidate Rai Sahib Jogendra Nath Roy who was declared on the 21st day of March 1940 as duly elected has lodged his return of election expenses and declarations on the 24th day of April 1940.

13. That your petitioner states that the purported election of the Respondent Rai Sahib Jogendra Nath Roy is null and void and is liable to be set aside as the said other candidate Jitendra Lal Banerji died after the scrutiny of the nomination papers of the said candidates for election to the Bengal Legislative Council from the said constituency and before the polling therefor commenced on the 16th day of March 1940 at 10 a.m.

14. That your petitioner has deposited as security for the costs of this petition a sum of Rupees One thousand in the Government Treasury at Darjeeling and the Government Treasury receipt (challan) showing that the said deposit has been made is enclosed herewith.

15. That the aforesaid failure of the said Returning Officer to countermand the said poll was and is contrary to law and in breach of the obligation imposed on him by the Government of India Act and the rules and orders made thereunder and the said failure has seriously interfered with the proper exercise of the right of franchise of your petitioner and of other electors of the said constituency and has deprived him and them of the right to elect a proper person to fill the said vacancy by a proper regular and valid election.

Your petitioner therefore humbly prays—

(*a*) that Your Excellency may be pleased to admit this petition and to direct that this petition be enquired into by Commissioners duly appointed;

(*b*) that the entire proceedings in respect of the said election resulting in and including the purported return and the purported election of the Respondent Rai Sahib Jogendra Nath Roy be declared null and void and/or set aside;

(*c*) that a fresh and new election be ordered to be held in the said constituency;

(*d*) that the costs of and incidental to this petition be awarded to your petitioner; and

(*e*) that such further or other relief may be granted to your petitioner as may be deemed fit and proper.

And your petitioner as in duty bound shall ever pray.

Verification.

I, Girindra Kumar Chatterjee, the petitioner herein, of Burdwan Town, in the Sadar subdivision and district of Burdwan, do hereby declare that the statements contained in paragraphs 1, 2, 3, 4, 5, 6, 9, 10, 11, 12, 13, 14 and 15 of the foregoing petition are true to my knowledge and those contained in paragraphs 7 and 8 thereof are made on information received and believed to be true, and I sign this verification at Calcutta this 22nd day of May 1940.

Annual Examination of Pleaders in Surveying, 1941.

Sibpore, post office Botanic Garden, the 16th September 1940.

(See Government notification No. 3888J., dated the 18th April 1938, modified in Government notification No. 6636J., dated the 5th August 1938.)

1. The next examination for both Class I and Class II candidates will be held in February 1941 and will be conducted at the following centres, provided that not less than five names be registered at each centre:—

The Bengal Engineering College and the Ahsanullah School of Engineering, Dacca.

2. Each examination is complete in itself. A candidate will be required to pass by every test and will not be exempted from any test on the ground that he has previously satisfied the examiner in it.

3. (*1*) No candidate will be admitted to the Class II Examination unless he has been enrolled as a pleader and—

(*i*) has obtained credit for attendance at the special course of instruction for Class II candidates at the Bengal Engineering College, or Dacca, in 1937, 1938, 1939 or 1940 and not previously appeared at the examination more than twice, or

(*ii*) has been registered for admission to the Intermediate Engineering Examination of the Calcutta University, or

(*iii*) has passed the Sub-Overseer Examination, or

(*iv*) has obtained the Surveyor's certificate of one of the Government Survey Schools, or

(*v*) has been specially exempted by the Board controlling the examination to appear without any of the qualifications (*i*) to (*iv*).

Provided that pleaders who attended the training class under the rules in force prior to the coming into force of these rules may be admitted to Class II Examination in 1941 and in subsequent years provided they are otherwise entitled to be admitted to such examination under these rules.

(*2*) No candidate will be admitted to the Class I Examination unless he has passed the Class II Examination, or the Pleaders' Survey Examination held under the rules in force prior to the coming into force of these rules, and has obtained credit for attendance at the special course of instruction for Class I candidates at the Bengal Engineering College or Dacca in 1939 or 1940.

6. In the event of more candidates than provided for in rule 4 being registered for examination in any year, the number admitted to the Bengal Engineering College or Dacca Centre may be increased for that year. Should the number of candidates for examination at these centres be too great (in the opinion of the officer controlling the examination) to be examined at one time, he will arrange for two separate examinations in the field tests. All candidates must appear at the same paper examination.

7. Candidates practising in the courts of the Presidency, Rajshahi and Burdwan Divisions will be required to present themselves at the Bengal Engineering College; and those in Dacca and Chittagong Divisions and in Assam, at Dacca.

Candidates wishing to appear at the examination will apply upon the prescribed registration form, obtain the necessary countersignature of the District Judge in whose Court he is enrolled, and forward the same so as to reach the office of the Principal, Bengal Engineering College, not later than the 8th January 1941. The form may be had from the Principal, Bengal Engineering College.

9. Each application must be accompanied by a receipt from the local treasury certifying to the payment of the examination fee of Rs. 50 (in the case of Class II candidates) and Rs. 75 (in the case of Class I candidates) which fee will in no case be returned.

10. The exact date of the examination and the proposed programme will be communicated to candidates by the officer who has registered their names.

3. Pleaders must make their own arrangements for attending this course. No tents or other residential accommodation will be provided.

4. Credit for attendance at these classes will not be given unless the pleader has been present for 80 per cent. of the working days and for the full working hours for each day. The atttendance must be distributed over the course so that no subject is neglected.

5. No. 2511R.I.—18th November 1940.—In exercise of the powers conferred by section 55 of the Bengal Agricultural Debtors Act, 1935 (Bengal Act VII of 1936), the Governor is pleased to make the following amendments in the Bengal Agricultural Debtors Rules, 1936, published with notification No. 9187L.R., dated the 26th June 1936, as subsequently amended, namely:—

(*1*) In rule 50A(*3*) of the said rules, the words "after the fees referred to in the said rule have been paid" shall be omitted.

(*2*) After rule 50A of the said rules, the following rules shall be inserted:—

Procedure to be followed in determining the amount of principal and interest of a debt to which sub-section (5) or (6) of section 18 applies.

50B. (*1*) For the purpose of enabling the Board to make the determination under sub-section (*2*) of section 18 in respect of a debt to which the provisions of sub-section (*5*) of that section apply, the Collector shall, by notification in the *Calcutta Gazette* and in such other manner as the Provincial Government may direct,—

(*a*) as soon as possible after the publication of this rule, declare for the whole district or any part thereof the normal outturn per acre of each of the principal crops grown in his district;

(*b*) as soon as possible after the publication of this rule, and in the month of January in each subsequent year, declare the price per maund of each such crop during the month following the harvest in each of the preceding fifteen years.

(*2*) (*a*) For the purpose of the declaration under clause (*a*) of sub-rule (*1*), the Collector shall take the figures in Schedule I appended to these rules for each of the crops mentioned in that Schedule as the normal outturn per acre of such crop, unless he is, for reasons to be recorded in writing satisfied that any other figure should be declared as the normal outturn for any part of the district.

(*b*) For the purpose of declaration under clause (*b*) of sub-rule (*1*), the Collector shall—

(*i*) take the figure for his district contained in Appendix VI of the Annual Season and Crop Report, Bengal, with regard to each of the crops mentioned in that Appendix as the price per maund of such crop, unless for reasons to be recorded in writing he is satisfied that a different figure should be taken for any part of the district;

(*ii*) take the price per maund of *aus* and *aman* paddy to be half the price shown in the said Appendix for autumn and winter rice respectively, and the price of sugar-cane to be 1/15 of the price of *gur*.

(*3*) Every preliminary declaration published under sub-rule (*1*) shall further state that any objection received by the Collector within thirty days from the date of such publication will be considered by him.

(*4*) After considering the objections, if any, received under sub-rule (*3*), the Collector shall, if necessary, amend the declaration and shall finally publish it.

(*5*) The Collector shall then annually by reference to the declarations finally published under sub-rule (*4*), calculate the value deemed to have been received per acre of each crop during the several periods from each of the fifteen years referred to in clause (*b*) of sub-rule (*1*) up to the end of the year previous to the calculation, in the district or any part thereof, and shall communicate the figures so arrived at to each Board in the district in the manner shown in form VIIIA.

50C. Where the Board is satisfied that an account of receipts and expenses kept by the creditor regarding the use of any land of the debtor possessed by him is correct, it may accept such account for the purposes of sub-sections (*5*) and (*6*) of section 18.

50D. When no such account is kept or where the Board does not find an account so kept to be correct the Board shall—

(*1*) calculate the area of the property by reference to the particulars furnished in the application or statement of debt under clause (*ee*) of sub-section (*1*) of section 11;

(*2*) calculate the receipts of the creditor from each of the crops mentioned in form VIIIA grown on such area by multiplying the area normally cultivated with such crop by the figure in form VIIIA for that crop shown against the year in which the debt was incurred, adding thereto any amount received on account of any such crop harvested after the expiry of the latest year mentioned in form VIIIA;

(*3*) calculate in the manner directed by the Collector the receipts of the creditor from crops other than those mentioned in form VIIIA (such as *boro* paddy or mangoes) grown on the area referred to in clause (*1*) of this rule and the receipts of the creditor in respect of the property from any other sources (such as fish from any tank on the property).

50E. (*1*) One-half of the total receipts calculated under clauses (*2*) and (*3*) of rule 50D less, the amount of any sum paid by the creditor as rent during the period of the debt, shall be deducted by the Board from the total receipts as expenses incurred by the creditor for the cultivation or management of the property.

(*2*) The net receipts remaining after the deduction under sub-rule (*1*) shall, for the purpose of sub-section (*5*) of section 18, be deemed to be the amount to be credited towards repayment of the debt.

50F. For the purpose of ascertaining the amount of interest due on the original principal of the debt the Board shall, for the entire period of the debt, calculate such interest at the rate of two-thirds of the maximum rate specified for simple interest in any law for the time being in force for control of money-lending.

50G. (*1*) Where a loan has been made in kind, the Board shall, for the purpose of clause (*b*) of sub-section (*6*) of section 18, calculate the money value of such loan with reference to the figure shown in form VIIIB for the crop in which the loan was made against the year in which the loan was made.

(*2*) Where any interest has been paid in kind, the Board shall, for the purpose of clause (*b*) of sub-section (*6*) of section 18, calculate the money value of such payments with reference to the figures shown in form VIIIB for the crop with which interest was paid against the years in which such payments were made.

(*3*) If the loan was made or if the interest was paid in any other crop than those mentioned in form VIIIB, the Board shall estimate the money value of the loan or of interest payment at such amount as it may consider to be fair and reasonable.

(*3*) After rule 91 of the said rules the following heading and rules shall be inserted, namely:—

"*Review (section 44).*

91A. No application under clause (*a*) of section 44 for review of any decision or order passed by a Board shall be entertained and no Board shall make any order reviewing, of its own motion under the said clause, any decision or order passed by it, if an appeal has been preferred under the Act from such decision or order.

91B. An application for review under clause (*a*) of section 44 shall ordinarily be made within sixty days of the date of the decision or order of the Board and a Board may also, of its own motion, review its decision or order within sixty days of the date of the decision or order passed by it:

Provided that no action shall be taken by a Board on an application for review made after the said period of sixty days and no Board shall review its decision or order after the said period save with the sanction of the Collector.

91C. In deciding whether sanction should be given under rule 91B or not, the Collector shall consider—

(*a*) whether any material illegality or irregularity has occurred;

(*b*) whether substantial injustice, hardship or difficulty has been occasioned; and

(*c*) whether the applicant had good and sufficient reasons for not making the application within sixty days of the date of the decision or order of the Board as required under rule 91B.

91D. No application to review an order made on an application for a review or an order made on a review under clause (*a*) of section 44 shall be entertained."

(*4*) After form VIII appended to the said rule, the following forms shall be inserted, namely:—

(*See* rule 50B.)

(*3*) By the 7th of each month the Board shall forward to the Subdivisional Officer a list of debtors and creditors who have failed to pay the fees referred to in sub-rule (*1*) in the preceding month by the date fixed in that behalf by the Board under that sub-rule.

Provided that the Certificate-Officer, if satisfied that there is good reason for allowing time for payment of the amount of the certificate filed for the recovery of any such fees, may allow time for such payment:

Provided further that where any such fees are due from the debtor and time is allowed to him under the first proviso for payment of such dues, the Certificate-Officer in allowing such time shall take into consideration the factor that it is not ordinarily possible for a debtor to pay his dues unless he gets a harvest".

NOTES.

THE FIRST SCHEDULE.

The Batwaras Act, 1836, the Bombay Salt Works Act, 1837, the Bengal Ameens Act, 1838, the Bombay Sureties Act, 1838, the Nawab of Surat Act, 1848, the Nawab of Carnatic Act, 1858, the Summary Dispossession Act, 1859, the King of Oudh's Act, 1868, the Nawab Nazim's Debts Act, 1873, and Ex-King Thebaw's Act, 1895.—These Acts, which are now either spent or obsolete, are formally removed from the Statute-book, with the consent of the Provincial Governments concerned.

The Punjab Criminal Procedure Amendment (Supplementary) Act, 1931.—This Act supplemented the Criminal Procedure (Punjab Amendment) Act, 1930 (Punjab Act IV of 1930). The duration of the latter Act, which came into force on the 12th November, 1930, was limited to five years and the Act has now expired. Act I of 1931 is, consequently, now spent and its formal removal from the Statute-book is here effected.

The Indian Tea Control Act, 1933.—The Act was of limited duration and ceased to be in force on the 31st day of March, 1938. Its formal removal from the Statute-book is here effected.

The Indian Wireless Telegraphy Act, 1933.—The Government of India (Adaptation of Indian Laws) Order, 1937, directed that section 9 of the Act should cease to have effect. The section is now formally repealed, along with clause (*vi*) of section 10 (*2*) which exists only for the purposes of section 9.

The Salt (Additional Import Duty Extending) Act, 1936, the Indian Aircraft (Amendment) Act, 1936, the Factories (Amendment) Act, 1936, the Indian Lac Cess (Amendment) Act, 1936, the Indian Tariff (Amendment) Act, 1936, the Indian Mines (Amendment) Act, 1936, the Indian Tariff (Second Amendment) Act, 1936, the Indian Tea Cess (Amendment) Act, 1936, the Indian Rubber Control (Amendment) Act, 1936, the Indian Tea Control (Amendment) Act, 1936, the General Clauses (Amendment) Act, 1936, the Chittagong Port (Amendment) Act, 1936, the Code of Civil Procedure (Amendment) Act, 1936, and the Cantonments (Amendment) Act, 1936.—These Acts are of a purely amending nature and by virtue of section 6A of the General Clauses Act, 1897, can now be removed from the Statute-book.

The Cochin Port Act, 1936.—The Government of India (Adaptation of Indian Laws) Order, 1937, directed that this Act should cease to have effect. It is now formally repealed.

The Indian Finance Act, 1936.—Portions of the Act which are now spent are repealed.

The Bombay City Sanitary Regulation Act, 1867.—The provisions of the Act have been superseded by subsequent legislation, and the Act is no longer required by the Provincial Government. The subject-matter of the Act falls partly within List I and partly within List II of the Legislative Lists in the Seventh Schedule to the Government of India Act, 1935. To repeal the Act in its entirety requires joint action by the Central and the Provincial Legislatures.

The Andaman and Nicobar Islands Land-tenure (Amendment) Regulation, 1936, the Sind Laws (Amendment) Regulation, 1936, the Sind Laws (Second Amendment) Regulation, 1936, the Orissa Laws (Amendment) Regulation, 1936, and the British Baluchistan Laws (Amendment) Regulation, 1936.—These Regulations are of a purely amending nature, and by virtue of section 6A of the General Clauses Act, 1897, can now be removed from the Statute-book.

THE SECOND SCHEDULE.

The General Clauses Act, 1897.—The definition of "Indian State" reproduced that contained in section 311 (1) of the Government of India Act, 1935. The latter was amended by the Statute 3 and 4 Geo. 6, Ch. 5. The amended definition is accordingly substituted hereby in the General Clauses Act, 1897.

The Indian Registration Act, 1908.—The alteration in wording removes the possibility of a misinterpretation which might give rise to an apparent contradiction between sub-section (*1*) and sub-section (*2*) of section 29 of the Act.

The Indian Electricity Act, 1910.—By an amendment made by the Fourth Schedule of the Arbitration Act, 1940 (X of 1940), references to the Indian Arbitration Act, 1899, were altered to references to the Act of 1940. The word "Indian" however by oversight was allowed to remain.

The Administrator General's Act, 1913.—An oversight, which occurred when the Act was amended by the Government of India (Adaptation of Indian Laws) Order, 1937, is rectified.

The Indian Companies Act, 1913.—

For the amendments made in section 152—see note on the Indian Electricity Act, 1910, above.

The alteration made in section 208C is consequential on the replacement of the Indian Arbitration Act, 1899, by the Arbitration Act, 1940.

The Delhi University Act, 1922.—The alteration made is consequential on the replacement of the Provident Funds Act, 1897, by the Provident Funds Act, 1925.

The Cantonments (House-Accommodation) Act, 1923.—An oversight, which occurred when the Act was amended in 1925 by Act X of 1925, is rectified.

The Indian Cotton Cess Act, 1923.—An error, which arose when section 4 was amended by Act XXXIV of 1939, is rectified.

The Cantonments Act, 1924.—Two clerical errors are corrected.

The Arbitration (Protocol and Convention) Act, 1937.—The alteration made is consequential on the replacement of the Indian Arbitration Act, 1899, by the Arbitration Act, 1940.

The Hindu Women's Rights to Property Act, 1937, and the Arya Marriage Validation Act, 1937.—The words omitted became inept when sections 95 (2), 92 (1) and 46 (2) of the Government of India Act, 1935, came into operation on the 1st day of April, 1937.

The British Baluchistan Laws Regulation, 1913, and the British Baluchistan Criminal and Civil Justice and Laws Extension Regulation, 1939.—A mistake introduced into the first named Regulation by an amendment made in it by the second named Regulation is corrected in both Regulations.

No. 134-H.—The following Royal Warrant instituting "The King's Police and Fire Services Medal" and the Regulations attached thereto are published for general information:—

GEORGE R.I.

GEORGE THE SIXTH, by the Grace of God, of Great Britain, Ireland and the British Dominions beyond the Seas King, Defender of the Faith, Emperor of India, to all to whom these Presents shall come,

Greeting!

Whereas His late Majesty King Edward the Seventh in consideration of the good services rendered by officers of the Constabulary Forces and by persons serving in Fire Brigades within His Dominions and in Territories under His Protection or Jurisdiction and the heroic acts of courage and instances of conspicuous devotion to duty of such persons, and being desirous of distinguishing such meritorious conduct by some mark of His Royal Favour did by Warrant under His Royal Sign Manual dated the 7th July, 1909, institute a new Medal to be awarded for such services as aforesaid:

And whereas We are desirous of further amending the aforesaid Warrant which was amended by subsequent Warrants under the Royal Sign Manual bearing date respectively the 3rd October, 1916, the 1st October, 1930, the 12th December, 1933, the 25th May, 1936 and the 15th December, 1936, We are graciously pleased to make, ordain and establish the following Statutes for the governance of the said Decoration:

"*Firstly.*—It is ordained that the Medal shall be designated and styled 'The King's Police and Fire Services Medal.'

Secondly.—It is ordained that the King's Police and Fire Services Medal shall consist of a circular Medal of Silver with the effigy of the Sovereign on the obverse, and shall bear on the reverse a design emblematic of Protection from danger and the words 'For Gallantry' or 'For Distinguished Service' as the case may be and on the rim the name of the person to whom the Medal has been awarded.

Thirdly.—It is ordained that the Medal shall only be awarded to those of Our Faithful Subjects and Others who have either performed acts of exceptional courage and skill or exhibited conspicuous devotion to duty as members of a recognized Police or Fire Service within Our United Kingdom of Great Britain and Northern Ireland our Indian Empire Burma or any of Our Colonies or any territory under Our protection or jurisdiction not being administered by Us in Our Government in any other part of Our Dominions; or within any other part of Our Dominions Our Government whereof has signified its desire that the Medal should be awarded under the provisions of this Our Warrant to members of any such Service within such part, or within any territory under Our protection or jurisdiction being administered by Us in such Government; and that such award shall be made only on a recommendation to Us by Our Principal Secretary of State for the Home Department.

Fourthly.—It is ordained that the names of those upon whom We may be pleased to confer this Decoration shall be published in the London Gazette, and that a Register thereof shall be kept in the Office of Our Principal Secretary of State for the Home Department. Such Register shall show the name and rank of the person holding the Medal, the Police or Fire Service of which he is or was a member, and particulars of the action for which the Medal has been awarded.

Fifthly.—It is ordained that each Medal shall be suspended from the left breast, and the riband, of an inch and three-eighths in width, shall be dark blue with a narrow silver stripe on either side and a similar silver stripe in the middle; and in the case of awards for acts of exceptional courage each silver stripe of the riband shall contain a thin red line down the middle.

Sixthly.—It is ordained that any act of gallantry which is worthy of recognition by the award of the King's Police and Fire

Services Medal, but is performed by one upon whom the Decoration has already been conferred, may, on a recommendation to Us by Our Principal Secretary of State for the Home Department, be recorded by a Bar attached to the riband by which the Medal is suspended. For every such additional act an additional Bar may be added and for each Bar awarded a small silver rose shall be added to the riband when worn alone.

Seventhly.—It is ordained that it shall be competent for Us, Our Heirs and Successors by an Order under Our Sign Manual and on a recommendation to that effect by or through one of Our Principal Secretaries of State to cancel and annul the award to any person of the above Decoration and that thereupon his name in the Register shall be erased. Provided that it shall be competent for Us, Our Heirs and Successors to restore any Decoration which may have been so forfeited when such recommendation has been withdrawn. And every person to whom the said Decoration is awarded shall, before receiving the same, enter into an agreement to return the Medal if his name shall be erased as aforesaid.

Eighthly.—It is ordained that Our Secretary of State for the Home Department may make regulations for the carrying into effect of this Our Royal Warrant."

All previous Warrants issued in this behalf are hereby revoked except in so far as they are already revoked.

Given at Our Court at *Saint James's* the *twentieth* day of *August*, 1940, in the *Fourth* Year of Our Reign.

By His Majesty's Command,

John Anderson.

King's Police and Fire Services Medal Regulations.

I, the Right Honourable Sir John Anderson, one of His Majesty's Principal Secretaries of State, in accordance with the Eighth Statute of the Royal Warrant of 20th August 1940, hereby make the following Regulations which shall be observed in submitting recommendations for the award of the King's Police and Fire Services Medal:

1. Unless His Majesty otherwise directs, lists of the names of members of recognised Police or Fire Services, who are recommended for the Medal, shall be submitted by the Secretary of State for the Home Department in the months of May and December in each year.

2. For the purpose of inclusion in any such list, the names of those recommended by the Secretary of State for Scotland, or Dominion Affairs, or the Colonies, or India or Burma shall be forwarded to the Home Office not later than one month prior to the date on which the award is to be made.

3. In special circumstances a recommendation may be made at any time for an immediate award.

4. All recommendations shall state the name and rank of the person recommended, the name of the Police or Fire Service of which he is or was a member, and particulars of the action or service for which the grant of the Medal is recommended.

5. The number of Medals awarded in any one year shall not exceed one hundred and twenty, unless His Majesty is of opinion that special circumstances in any year justify the award of Medals in excess of that number.
